

**JAPANESE COMMUNITY SUPPORT NETWORK****CONFIDENTIALITY POLICY AND  
PARENTS' CONSENT TO USE OF IMAGES ON PUBLIC MEDIA**

1. The Japanese Community Support Network ("the Group") may, from time to time wish to publish on public media, photographs, videos or similar images of children who use the Japanese **Play-group and Study-club** ("**JPS**") and other resources of JPS.
2. By law, the Group must obtain the consent of the parent or parents of such children for their images to appear on public media. However, if the parent(s) give this consent, the Group cannot guarantee that the images will not be copied nor downloaded for improper use by others accessing the media.
3. In giving consent on the form below, parents should be aware of this and agree not to make any claim against the Group in relation to third party use of such photographs or images published on public media.
4. Parents have the right to withdraw consent at any time, and should they do so, the Group must remove the photographs or images concerned from the relevant location as soon as reasonably practicable, after receiving notice in writing from the parent(s) of withdrawal of her/his/their consent.

-----
